*Electronic cigarettes

The Food and Drug Administration (FDA) has joined other health experts to warn consumers about potential health risks associated with electronic cigarettes. E-cigarettes have not been fully studied so the potential risks are not known.

Neighborhood Health Plan of RI Clinical Practice Guideline Effective Date: 08/17/2000

Previous Revision Dates: 8/8/2002, 7/10/2004, 5/11/2006, 4/10/2008, 4/10, 4/12, 3/26/20, 3/26/26, 4/23/26

National Guidelines Adopted on April 17, 2014

Disclaimer:

This clinical practice guideline is made available to you for informational purposes only. It is not a guarantee of payment or a substitute for your medical judgment in the treatment of your patients. Benefits and eligibility are determined by the member's coverage plan; a member's coverage plan will supersede the provisions of this medical policy. For information on member-specific benefits, call member services. These guidelines are current at the time of publication; however, medical practices, technology, and knowledge are constantly changing. Neighborhood reserves the right to review and revise this policy for any reason and at any time, with or without notice.
