Effective **January 1, 2026**, Neighborhood's INTEGRITY (MMP) plan has transitioned to Neighborhood INTEGRITY for Duals (HMO D-SNP), a **Fully Integrated Dual Eligible Special Needs Plan (FIDE-SNP)**. As a result, there will be changes to the Medicare-covered drug list.

The following products will not be listed on the Medicare Pharmacy Benefit Formulary in 2026:

- **Tresiba** (alternative: Lantus)

Please note: Prescriptions for alternative products may not receive paid claims before January 1, 2026 if they are not currently on Neighborhood's MMP Pharmacy Benefit Formulary.
