

Updated LTSS Payment Policies

INTEGRITY for Duals and Dual CONNECT

May 1, 2026

Neighborhood Health Plan of Rhode Island (Neighborhood) has updated existing payment policies to incorporate the **INTEGRITY for Duals (HMO D-SNP)** and **Dual CONNECT (HMO D-SNP)** lines of business, where applicable.

The following payment policies have been updated and are now available on our website:

- [Adult Day](#)
- [Assisted Living](#)
- [Home Health](#)
- [Skilled Nursing Facility](#)

Additional payment policies will be updated in the coming weeks as they are finalized.

For services where a payment policy update has not yet been published, providers should bill Neighborhood in the same manner they would bill Medicare.

Providers are encouraged to regularly review the [Billing Guidelines and Payment Policies page](#) for the most up-to-date policy information.
