

Updated Payment Policies

INTEGRITY for Duals and Dual CONNECT

July 10, 2026

Neighborhood Health Plan of Rhode Island (Neighborhood) has updated existing payment policies to incorporate the **INTEGRITY for Duals (HMO D-SNP)** and **Dual CONNECT (HMO D-SNP)** lines of business, where applicable.

The following payment policies have been updated and are now available on our website:

- [Acupuncture](#)
- [Behavioral Health Outpatient](#)
- [Children's Care Services](#)
- Home Infusion
 - [INTEGRITY for Duals and Dual CONNECT](#)
 - [Medicaid and Commercial](#)
- [Hospice Services](#)
- [Hospital Readmission](#)
- [Immunization and Vaccine](#)
- [In Lieu Of Services](#)
- [Intraoperative Neurophysiological Monitoring and Testing services](#)
- [Provider Preventable Condition](#)
- [Psychological/Neuropsychological Testing](#)
- [Vision Care Services](#) (updated coding)

Additional payment policies will be updated in the coming weeks as they are finalized.

For services where a payment policy update has not yet been published, providers should bill Neighborhood in the same manner they would bill Medicare.

Providers are encouraged to regularly review the [Billing Guidelines and Payment Policies page](#) for the most up-to-date policy information.
