Re: Delayed Provider Payment Cycle for Medicaid – Paper & Electronic Payment

Dear Provider:

There is a delay in the provider payment cycle for Medicaid scheduled to be complete for today, November 1, 2019. Electronic payments and electronic remittance advice statements were transmitted to providers today; paper checks and accompanying remittance advices will be mailed today, November 1, 2019.

Neighborhood apologizes for this disruption and appreciates your continued partnership.

Regards,

Neighborhood Health Plan of Rhode Island
