Temporary Prior Authorization Policy

Policy Statement
In the event that the State of Rhode Island declares a state of emergency due to a pandemic health concern such as COVID-19 or if Neighborhood Health Plan of Rhode Island (Neighborhood) elects to enact this policy outside of a declared state of emergency, Neighborhood may temporarily remove certain prior authorization requirements.

This policy is separate and distinct from Neighborhood’s Clinical Medical Policies and other Billing and Payment Policies. Neighborhood will continue to apply all other policies while this Temporary Prior Authorization Policy is in effect, including but not limited to retroactive authorization, readmission policies and provider preventable condition policies.

Scope
This policy applies to all lines of business, Medicaid excluding Extended Family Planning (EFP), Commercial, and INTEGRITY.
