| Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall <a href="#">deductible</a> ?                                | \$3,900 Individual/<br>\$7,800 Family   | If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .   |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. Preventive care, primary care, specialist visit, urgent care, prescription drugs in tier 1, 2, 3, & 4, and outpatient services for mental health, behavioral health, and substance use | For example, this plan covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>   |
| Are there other <a href="#">deductibles</a> for specific services?              | No  | You don't have to meet <a href="#">deductibles</a> for specific services.  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | \$7,850 Individual/<br>\$15,700 Family  | If you have other family members in this plan, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Premiums, balance-billing charges, and health care this plan doesn't cover  | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket</a> limit.   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="https://www.nhpri.org/find-a-doctor/">https://www.nhpri.org/find-a-doctor/</a> or call 1-855-321-9244 for a list of network providers.                                    | This plan uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your plan pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No  | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
