Subject: Delayed Provider Payments for Medicaid

Due to the snowstorm, there is a delay in this week's payment cycle. The impact is a delay in distribution of provider payments, including accompanying remittance advices, for the **Medicaid** line of business only. There is no interruption in payments for the Commercial and INTEGRITY (MMP) lines of business.

Medicaid payments will be disbursed to providers tomorrow, Friday, December 18, 2020.

Neighborhood apologizes for this disruption and appreciates your continued partnership.
