The Rhode Island Hospital-Pediatrics Neighborhood INTEGRITY Program strives to ensure that all patients have access to high-quality care, regardless of their ability to pay. We provide comprehensive care for children of all ages, from newborns to adolescents. Our team of doctors, nurses, and other healthcare professionals work together to provide the best possible care for each patient.

As part of our commitment to providing quality care, we offer a range of services, including primary care, specialty care, and emergency care. We also offer a variety of programs and services to support our patients and their families, such as our Maternal Health Program, which provides care for pregnant women and their families, and our Pediatric Surgery Program, which provides care for children with complex surgical needs.

Our team of specialists includes pediatricians, surgeons, nurses, and other healthcare professionals, all of whom are dedicated to providing the best possible care for each patient. We also have a team of social workers, counselors, and other support staff to help patients and their families navigate the healthcare system.

We are committed to providing care that is respectful, patient-centered, and culturally competent. Our team of doctors, nurses, and other healthcare professionals work together to provide care that is respectful, patient-centered, and culturally competent. We also have a team of social workers, counselors, and other support staff to help patients and their families navigate the healthcare system. 

We understand that healthcare can be expensive, and we strive to make sure that all patients have access to the care they need. We accept a wide range of insurance plans, and we offer financial assistance to patients who qualify. We also offer a range of payment options, including sliding scale fees and a payment plan program.

We are committed to providing care that is respectful, patient-centered, and culturally competent. Our team of doctors, nurses, and other healthcare professionals work together to provide care that is respectful, patient-centered, and culturally competent.
