

Neighborhood's Special Investigation Unit and Cotiviti

Neighborhood News – July 2022

In 2021, Neighborhood Health Plan of Rhode Island's (Neighborhood's) Special Investigation Unit retained Health Management Systems Inc. (HMS) to conduct periodic reviews of claims paid for healthcare services to ensure the integrity of the paid claims, including coding validation, payment accuracy, and compliance with regulations, policies, contractual requirements and utilization standards. Recently, HMS was acquired by Cotiviti and provider notifications will be updated accordingly with the new corporate branding.

Future overpayment determination letters from Neighborhood that were previously branded

with  will now be branded with .
