

Requests for Out-of-Network Pharmacy Services

Neighborhood News - July 2022

Neighborhood has a broad network of providers and engages members and their providers to evaluate the availability of necessary services within the local delivery system.

- Neighborhood evaluates the medical necessity of requests for pharmacy services from out-of-network practitioners/ providers.

If you are requesting pharmacy services from an out-of-network provider, please complete the [General Prior Authorization for Drugs Administered in Office Form](#) and return it via fax to Neighborhood's Pharmacy Department at 1-844-639-7906. Please include the clinical rationale as to why the service(s) are required to be rendered by an out-of-network provider.
