

How to Bill 340B Appropriately

Neighborhood News – July 2023

When submitting a 340B claim billed to the **Pharmacy benefit**, please adhere to the following guidelines to ensure correct claim submission:

- For NCPDP Data ELEMENT 409-D9, the “Ingredient Cost Submitted” should reflect the 340B Acquisition Cost.
- For NCPDP Data Element 420-DK, the “Submission Clarification Code” should be 20.

For 340B claims billed to the **Medical benefit**, please adhere to the following guidelines:

- The modifier should be “UD.”
- The description should read “Medicaid level of care 13,” as defined by each state.
