

Upcoming Pharmacy Benefit Changes for Inhaler and Insulin Products

Neighborhood News – October 2023

Beginning January 1, 2024, the preferred inhaler and insulin products on Neighborhood Health Plan of Rhode Island's (Neighborhood) Commercial and INTEGRITY (MMP) Pharmacy benefit formularies will change as indicated below.

We kindly ask that no changes to your member's drug regimen be made at this time. Prescriptions for the new preferred products will only process at the dispensing pharmacy from January 1, 2024, onward. Thank you for your attention to these upcoming changes.

PLEASE NOTE: NO ACTION IS NEEDED AT THIS TIME.
